

Application for License Renewal

You must use the attached form to submit your Application. (Please remove this instruction sheet prior to filing.) If you need more space than is provided on this form or if you are attaching exhibits, all attachments must be labeled or tabbed to identify the Application item to which they correspond.

You are required to file via the Commission's e-file found here:

<https://webpsexb.psc.state.md.us/DMS/E-file>

The Commission allows the filing of proprietary or confidential documents through its E-file system. An additional area in the upload section of the E-file portal has been developed to accept such confidential documents electronically. If a filing is comprised of both public and proprietary documents, all files should be uploaded concurrently – resulting in a single mail log number. Confidential documents uploaded into the confidential section of the upload portal will not be viewable from the Commission's website. Finally, the system will also allow an entity to file a confidential filing if there is no companion public version of the document.

Mail a nonrefundable license fee of \$1,000.00 (payable to "Public Service Commission") to:

**Executive Secretary
Maryland Public Service Commission
6 Saint Paul St.
Baltimore, MD 21202**

Questions pertaining to completion of this Application may be directed to the Public Service Commission Staff, Energy Analysis and Planning Division, at the above address or you may call the Division at (410) 767-8085.
