**Re: Blue Pilot Energy, LLC's Appeals of Office of External Relations' Dispositions  
on Requests for Further Review**

Dear Ms. Jureidini:

Upon consideration of the above-captioned matters, the Public Service Commission ("Commission") finds that Blue Pilot Energy, LLC's appeals in these matters raises a common issue *i.e.*, the applicability of the Maryland Telephone Solicitation Act to the transactions with the applicable customer, including wet signature and contract formation issues. Resolution of the matters appear to involve issues of material facts that may require evidentiary proceedings. Therefore, the Commission consolidates and delegates these matters to the Public Utility Law Judge Division to conduct appropriate proceedings to resolve each of the appeals. Further, the Maryland Office of People's Counsel is invited to participate in this matter, and Commission Staff is directed to enter an appearance to ensure that a complete record is developed.

Accordingly, for the forgoing reasons, the Commission hereby initiates Case No. 9382 and delegates this matter to the Public Utility Judge Division to conduct proceedings as necessary, with participations by the Maryland Office of People's Counsel and Commission Staff as directed above.

By Direction of the Commission,
