Q1. In reviewing Attachment D, one of the MBE attachments, it states:

Solicit certified MBEs in writing at least 10 days before Bids or Proposals are due, describing the identified work categories and providing instructions on how to provide a quote on the subcontracts;

Ten (10) days before the proposals are due is today, 06/14/13, what can be done if we have not completed our MBE searches?

A1. Since the time between the pre-proposal conference and the due date of the proposal is only twenty-four (24) days, that would only have given you fourteen (14) days to complete MBE searches. Taking that into consideration, the normal 10 days before proposals are due, will be extended until Thursday, June 20, 2013.
