Unless substitution is approved per paragraphs B-D of this section, Key Personnel shall be the same personnel proposed in the Contractor's Technical Proposal, which will be incorporated into the Contract by reference. Such identified Key Personnel shall perform continuously for the duration of the Contract, or such lesser duration as specified in the Technical Proposal. Key Personnel may not be removed by the Contractor from working under this Contract, as described in the RFP or the Contractor's Technical Proposal, without the prior written approval of the Contract Monitor.

If the Contract is task order based, the provisions of this section apply to Key Personnel identified in each task order proposal and agreement.

B. Definitions

For the purposes of this section, the following definitions apply:

Extraordinary Personal Circumstance – means any circumstance in an individual's personal life that reasonably requires immediate and continuous attention for more than fifteen (15) days and that precludes the individual from performing his/her job duties under this Contract. Examples of such circumstances may include, but are not limited to: a sudden leave of absence to care for a family member who is injured, sick, or incapacitated; the death of a family member, including the need to attend to the estate or other affairs of the deceased or his/her dependents; substantial damage to, or destruction of, the individual's home that causes a major disruption in the individual's normal living circumstances; criminal or civil proceedings against the individual or a family member; jury duty; and military service call-up.

Incapacitating – means any health circumstance that substantially impairs the ability of an individual to perform the job duties described for that individual's position in the RFP or the Contractor's Technical Proposal.

Sudden – means when the Contractor has less than thirty (30) days' prior notice of a circumstance beyond its control that will require the replacement of any Key Personnel working under the Contract.

C. Key Personnel General Substitution Provisions

The following provisions apply to all of the circumstances of staff substitution described in paragraph D of this section.

1. The Contractor shall demonstrate to the Contract Monitor's satisfaction that the proposed substitute Key Personnel have qualifications at least equal to those of the Key Personnel for whom the replacement is requested.
2. The Contractor shall provide the Contract Monitor with a substitution request that shall include:
 - A detailed explanation of the reason(s) for the substitution request;
 - The resume of the proposed substitute personnel, signed by the substituting individual and his/her formal supervisor;
 - The official resume of the current personnel for comparison purposes; and
 - Any evidence of any required credentials.
3. The Contract Monitor may request additional information concerning the proposed substitution. In addition, the Contract Monitor and/or other appropriate State personnel involved with the Contract

may interview the proposed substitute personnel prior to deciding whether to approve the substitution request.

4. The Contract Monitor will notify the Contractor in writing of: (i) the acceptance or denial, or (ii) contingent or temporary approval for a specified time limit, of the requested substitution. The Contract Monitor will not unreasonably withhold approval of a requested Key Personnel replacement.

D. Replacement Circumstances

1. Voluntary Key Personnel Replacement

To voluntarily replace any Key Personnel, the Contractor shall submit a substitution request as described in paragraph C of this section to the Contract Monitor at least fifteen (15) days prior to the intended date of change. Except in a circumstance described in paragraph D.2 of this clause, a substitution may not occur unless and until the Contract Monitor approves the substitution in writing.

2. Key Personnel Replacement Due to Vacancy

The Contractor shall replace Key Personnel whenever a vacancy occurs due to the sudden termination, resignation, leave of absence due to an Extraordinary Personal Circumstance, Incapacitating injury, illness or physical condition, or death of such personnel. (A termination or resignation with thirty (30) days or more advance notice shall be treated as a Voluntary Key Personnel Replacement as per Section D.1 of this section.)

Under any of the circumstances set forth in this paragraph D.2, the Contractor shall identify a suitable replacement and provide the same information or items required under paragraph C of this section within fifteen (15) days of the actual vacancy occurrence or from when the Contractor first knew or should have known that the vacancy would be occurring, whichever is earlier.

3. Key Personnel Replacement Due to an Indeterminate Absence

If any Key Personnel has been absent from his/her job for a period of ten (10) days due to injury, illness, or other physical condition, leave of absence under a family medical leave, or an Extraordinary Personal Circumstance and it is not known or reasonably anticipated that the individual will be returning to work within the next twenty (20) days to fully resume all job duties, before the 25th day of continuous absence, the Contractor shall identify a suitable replacement and provide the same information or items to the Contract Monitor as required under paragraph C of this section.

However, if this person is available to return to work and fully perform all job duties before a replacement has been authorized by the Contract Monitor, at the option and sole discretion of the Contract Monitor, the original personnel may continue to work under the Contract, or the replacement personnel will be authorized to replace the original personnel, notwithstanding the original personnel's ability to return.

4. Directed Personnel Replacement

- a. The Contract Monitor may direct the Contractor to replace any personnel who are perceived as being unqualified, non-productive, unable to fully perform the job duties due to full or partial Incapacity or Extraordinary Personal Circumstance, disruptive, or known, or reasonably believed, to have committed a major infraction(s) of law, agency, or Contract requirements. Normally, a directed personnel replacement will occur only after prior notification of problems with requested remediation, as described in paragraph 4.b. If after such remediation the Contract Monitor determines that the personnel performance has not improved to the level necessary to continue under the Contract, if at all possible at least

fifteen (15) days notification of a directed replacement will be provided. However, if the Contract Monitor deems it necessary and in the State's best interests to remove the personnel with less than fifteen (15) days' notice, the Contract Monitor can direct the removal in a timeframe of less than fifteen (15) days, including immediate removal.

In circumstances of directed removal, the Contractor shall, in accordance with paragraph C of this section, provide a suitable replacement for approval within fifteen (15) days of the notification of the need for removal, or the actual removal, whichever occurs first.

- b. If deemed appropriate in the discretion of the Contract Monitor, the Contract Monitor shall give written notice of any personnel performance issues to the Contractor, describing the problem and delineating the remediation requirement(s). The Contractor shall provide a written Remediation Plan within ten (10) days of the date of the notice and shall implement the Remediation Plan immediately upon written acceptance by the Contract Monitor. If the Contract Monitor rejects the Remediation Plan, the Contractor shall revise and resubmit the plan to the Contract Monitor within five (5) days, or in the timeframe set forth by the Contract Monitor in writing.

Should performance issues persist despite the approved Remediation Plan, the Contract Monitor will give written notice of the continuing performance issues and either request a new Remediation Plan within a specified time limit or direct the substitution of personnel whose performance is at issue with a qualified substitute, including requiring the immediate removal of the Key Personnel at issue.

Replacement or substitution of personnel under this section shall be in addition to, and not in lieu of, the State's remedies under the Contract or which otherwise may be available at law or in equity.

1.19 Mandatory Contractual Terms

By submitting a Proposal in response to this RFP, an Offeror, if selected for award, shall be deemed to have accepted the terms and conditions of this RFP and the Contract, attached herein as **Attachment A**. Any exceptions to this RFP or the Contract shall be clearly identified in the Executive Summary of the Technical Proposal. **A Proposal that takes exception to these terms may be rejected (see RFP Section 4.4.2.4).**

1.22 Compliance with Laws/Arrearages

By submitting a Proposal in response to this RFP, the Offeror, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Offeror represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the Contract if selected for Contract award.

1.24 Conflict of Interest Affidavit and Disclosure

Bidders/Offerors shall complete and sign the Conflict of Interest Affidavit and Disclosure (**Attachment I**) and submit it with their Bid/Proposal. All Bidders/Offerors are advised that if a Contract is awarded as a result of this solicitation, the Contractor's personnel who perform or control work under this Contract and each of the participating subcontractor personnel who perform or control work under this Contract shall be required to complete agreements substantially similar to **Attachment I** Conflict of Interest Affidavit and Disclosure. For policies and procedures applying specifically to Conflict of Interests, the Contract is governed by COMAR 21.05.08.08.

1.25 Non-Disclosure Agreement

All Bidders/Offerors are advised that this solicitation and any resultant Contract(s) are subject to the terms of the Non-Disclosure Agreement (NDA) contained in this solicitation as **Attachment J**. This Agreement must be provided within five (5) Business Days of notification of proposed Contract award; however, to expedite processing, it is suggested that this document be completed and submitted with the Bid/Proposal.

1.26 Terms and Conditions

- A. Termination for Nonappropriation. If funds are not appropriated or otherwise made available to support continuation in any fiscal year succeeding the first fiscal year, this Contract shall be terminated automatically as of the beginning of the fiscal year for which funds are not available. The Contractor may not recover anticipatory profits or costs incurred after termination.
- B. Maryland Law Prevails. The law of Maryland shall govern the interpretation and enforcement of this Contract.
- C. Disputes. Disputes arising under this Contract shall be governed by State Finance and Procurement Article, Title 15, Subtitle 2, Part III, Annotated Code of Maryland, and by COMAR 21.10 Administrative and Civil Remedies. Pending resolution of a dispute, the Contractor shall continue to perform this Contract, as directed by the Procurement Officer.
- D. Changes. This contract may be amended only with the written consent of both parties. Amendments may not change significantly the scope of the Contract (including the Contract price).

E. Termination for Default. If the Contractor does not fulfill obligations under this Contract or violates any provision of this Contract, the State may terminate the Contract by giving the Contractor written notice of termination. Termination under this paragraph does not relieve the Contractor from liability for any damages caused to the State. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

F. Nondiscrimination. The Contractor shall comply with the nondiscrimination provisions of federal and Maryland law.

G. Anti-Bribery. The Contractor certifies that, to the Contractor's best knowledge, neither the Contractor; nor (if the Contractor is a corporation or partnership) any of its officers, directors, or partners; nor any employee of the Contractor who is directly involved in obtaining contracts with the State or with any county, city, or other subdivision of the State, has been convicted of bribery, attempted bribery, or conspiracy to bribe under the laws of any state or of the United States.

However, the Contractor may not be reimbursed for any anticipatory profits which have not been earned up to the date of termination. SECTION 2

There is no minimum qualification section for this solicitation. The requested chart and narrative in Section 3.2.1 E is being used in place of this Section 2.

SECTION 3 – SCOPE OF WORK

3.1 Background and Purpose

During the 2016 Session of the Maryland General Assembly, House Bill 927 (HB 927) was introduced. HB 927 of 2016 would have required the Commission to study and make recommendations about (i) the advisability of establishing an opt-in electric affordability program for residential and small business customers of investor-owned electric companies (as well as allowing electric cooperatives to participate) based on certain programmatic features; and (ii) the manner in which the program, if advisable, should be conducted. However, the full Senate did not get to vote on the bill before time ran out on Sine Die. On May 4, the House Economic Matters Committee Chairman Dereck F. Davis wrote to the Commission requesting that the Commission study and report back to the House Economic Matters Committee and the Senate Finance Committee as HB 927 would have required. [To view, go to: mgaleg.maryland.gov, locate “FIND LEGISLATION: BY NUMBER”: key in HB 927]. Chairman Davis’s letter and the Commission’s response are separate attachments accompanying this RFP. The Commission has agreed to report its findings to the Committees no later than January 31, 2016; thus, **the final approved report required by this solicitation is due to the Commission within four (4) months of the Contract commencement date.** The final report is not complete until the Contract Manager approves it in writing.

To support a robust review of this request, the Commission is seeking an experienced Consultant in wholesale electricity procurement and electric affordability.

Other potential customer benefits may include things such as: customer arrearage management or reduction opportunities; increased awareness of or access to payment assistance programs; etc... The contractor is expected to use their collective expertise to assess the advisability of Maryland offering an opt-in electric affordability program, which should at a minimum assess the success of comparable programs offered in other jurisdictions as

2. Study and make recommendations about the manner in which the program described in Task A(1) should or could be conducted, including provisions relating to: low-income customers to be assisted by the program; the duration of customer contracts under the program; procedures governing wholesale electricity procurement for the program; the minimum qualifications of licensed electricity suppliers and associated providers of value-added products and services that would be eligible to participate in the program.

3. Consider the best interests of electric customers relating to cost and reliability of electric service in making the recommendations required under tasks A(1) and A(2).

Any required revisions must be submitted to the Contract Manager within 5 business days of requested revision. After approval of the draft and any revisions by the Contract Manager, the Final Report must be submitted to the Contract Manager within 5 Business Days of the Contract Manager's approval and will be considered complete upon receipt of written approval from the Contract Manager.

Note: Total number of required meetings will be four (4); one (1) remote and three (3) in-person.

SECTION 4 – PROPOSAL FORMAT

4.1 Two Part Submission

Offerors shall submit Proposals in separate volumes:

- Volume I – TECHNICAL PROPOSAL
- Volume II – FINANCIAL PROPOSAL

4.2 Proposals

4.2.1 Volume I – Technical Proposal, and Volume II – Financial Proposal shall be sealed separately from one another. It is preferred, but not required, that the name, email address, and telephone number of the Offeror be included on the outside of the packaging for each volume. Each Volume shall contain an unbound original, so identified, and four (4) bound copies. Unless the resulting package will be too unwieldy, the Department’s preference is for the two (2) sealed Volumes to be submitted together in a single package including a label bearing:

- The RFP title and number,
- Name and address of the Offeror, and
- Closing date and time for receipt of Proposals

To the Procurement Officer (see Key Information Sheet) prior to the date and time for receipt of Proposals.

4.2.2 An electronic version (on Compact Disk/CD, Digital Versatile Disc/DVD, or Universal Serial Bus/USB Flash/Thumb Drive) of Volume 1-Technical Proposal in Microsoft Word format must be enclosed with the original Volume I - Technical Proposal submission. An electronic version (on CD, DVD, or USB Flash Drive) of Volume II - Financial Proposal in Microsoft Word or Microsoft Excel format must be enclosed with the original Volume II - Financial Proposal submission. Each CD/DVD/USB Flash Drive must be labeled on the outside with the RFP title and number, name of the Offeror, scope of work section and volume number. Each CD/DVD/USB Flash Drive must be packaged with the original copy of the appropriate Proposal (Technical, volume I or Financial volume II).

4.2.3 **A second electronic version of Volume I and Volume II in searchable Adobe .pdf format shall be submitted on CD, DVD, or USB Flash Drive for Public Information Act (PIA) requests.** This copy shall be redacted so that confidential and/or proprietary information has been removed (see Section 1.14 “Public Information Act Notice”).

4.2.4 Beginning with Tab B (see RFP Section 4.4.2.3), all pages of both Proposal volumes shall be consecutively-numbered from beginning (Page 1) to end (Page “x”). The Title Page, Table of Contents, and any Claim of Confidentiality (Tabs A and A-1; see RFP Sections 4.4.2.1 and 4.4.2.2), should be numbered using small Roman numerals (ex. i, ii, iii, iv, v, etc.).

4.2.5 Proposals and any modifications to Proposals will be shown only to State employees, members of the Evaluation Committee, or other persons deemed by the Department to have a legitimate interest in them.

4.3 Delivery

Offerors may either mail or hand-deliver Proposals.

- 4.3.1 For U.S. Postal Service deliveries, any Proposal that has been received at the appropriate mailroom, or typical place of mail receipt, for the respective procuring unit by the time and date listed in the RFP will be deemed to be timely. If an Offeror chooses to use the U.S. Postal Service for delivery, the Department recommends that it use Express Mail, Priority Mail, or Certified Mail only as these are the only forms for which both the date and time of receipt can be verified by the Department. It could take several days for an item sent by first class mail to make its way by normal internal mail to the procuring unit and an Offeror using first class mail will not be able to prove a timely delivery at the mailroom..
- 4.3.2 Hand-delivery includes delivery by commercial carrier acting as agent for the Offeror. For any type of direct (non-mail) delivery, an Offeror is advised to secure a dated, signed, and time-stamped (or otherwise indicated) receipt of delivery.
- 4.3.3 After receipt, a Register of Proposals will be prepared that identifies each Offeror. The Register of Proposals will be open to inspection only after the Procurement Officer makes a determination recommending the award of the Contract.

4.4 Volume I – Technical Proposal

Note: No pricing information is to be included in the Technical Proposal (Volume 1). Pricing information is to be included only in the Financial Proposal (Volume II).

4.4.1 Format of Technical Proposal

Inside a sealed package described in Section 4.2 “Proposals,” the unbound original, four (4) bound copies, and the electronic version shall be provided. The RFP sections are numbered for ease of reference. Section 4.4.2 sets forth the order of information to be provided in the Technical Proposal, e.g., Section 4.4.2.1 “Title and Table of Contents,” Section 4.4.2.2 “Claim of Confidentiality,” Section 4.4.2.3 “Transmittal Letter,” Section 4.4.2.4 “Executive Summary,” etc. In addition to the instructions below, responses in the Offeror’s Technical Proposal should reference the organization and numbering of Sections in the RFP (ex. “Section 3.2.1 Response . . . ; “Section 3.2.2 Response . . .,” etc.). This Proposal organization will allow State officials and the Evaluation Committee (see RFP Section 5.1) to “map” Offeror responses directly to RFP requirements by Section number and will aid in the evaluation process.

4.4.2 **The Technical Proposal** shall include the following documents and information in the order specified as follows. Each section of the Technical Proposal shall be separated by a TAB as detailed below:

4.4.2.1 Title Page and Table of Contents (Submit under TAB A)

The Technical Proposal should begin with a Title Page bearing the name and address of the Offeror and the name and number of this RFP. A Table of Contents shall follow the Title Page for the Technical Proposal, organized by section, subsection, and page number.

4.4.2.2 Claim of Confidentiality (If applicable, submit under TAB A-1)

Any information which is claimed to be confidential is to be noted by reference and included after the Title Page and before the Table of Contents, and if applicable, also in the Offeror’s Financial Proposal. An explanation for each claim of confidentiality shall be included (see Section 1.14 “Public Information Act Notice”). The entire Proposal should not be given a blanket

confidentiality designation. Any confidentiality designation must apply to specific sections, pages, or portions of pages of the Proposal.

4.4.2.3 **Transmittal Letter (Submit under TAB B)**

A Transmittal Letter shall accompany the Technical Proposal. The purpose of this letter is to transmit the Proposal and acknowledge the receipt of any addenda. The Transmittal Letter should be brief and signed by an individual who is authorized to commit the Offeror to the services and requirements as stated in this RFP. The Transmittal Letter should include the following:

- Name and address of the Offeror;
- Name, title, e-mail address, and telephone number of primary contact for the Offeror;
- Solicitation Title and Solicitation Number that the Proposal is in response to;

- Federal Employer Identification Number (FEIN) of the Offeror, or if a single individual, that individual's Social Security Number (SSN);
- Offeror's eMM number;
- Offeror's MBE certification number (if applicable);
- Acceptance of all State RFP and Contract terms and conditions; if any exceptions are taken, they are to be noted in the Executive Summary; and
- Acknowledgement of all addenda to this RFP.

4.4.2.4 **Executive Summary (Submit under TAB C)**

The Offeror shall condense and highlight the contents of the Technical Proposal in a separate section titled "Executive Summary." The Summary shall identify the Service Category(ies) and Region(s) for which the Offeror is proposing to provide services (if applicable). In addition, the Summary shall indicate whether the Offeror is the subsidiary of another entity, and if so, whether all information submitted by the Offeror pertains exclusively to the Offeror. If not, the subsidiary Offeror shall include a guarantee of performance from its parent organization as part of its Executive Summary.

The Summary shall also identify any exceptions the Offeror has taken to the requirements of this RFP, the Contract (Attachment A), or any other attachments. Exceptions to terms and conditions may result in having the Proposal deemed unacceptable or classified as not reasonably susceptible of being selected for award.

If the Offeror has taken no exceptions to the requirements of this RFP, the Contract (Attachment A), or any other attachments, the Executive Summary shall so state.

4.4.2.5 **Offeror Technical Response to RFP Requirements and Proposed Work Plan (Submit under TAB D)**

- a. The Offeror shall address each Scope of Work requirement (Section 3.2) in its Technical Proposal and describe how its proposed services, including the services of any proposed subcontractor(s), will meet or exceed the requirement(s). If the State is seeking Offeror agreement to any requirement(s), the Offeror shall state its agreement or disagreement. Any paragraph in the Technical Proposal that responds to a Scope of Work (Section 3.2) requirement shall include an explanation of how the work will be done. Any exception to a requirement, term, or condition may result in having the Proposal classified as not reasonably susceptible of being selected for award or the Offeror deemed not responsible.

- b. The Offeror shall give a definitive **section-by-section** description of the proposed plan to meet the requirements of the RFP, i.e., a Work Plan. The Work Plan shall include the specific methodology and techniques to be used by the Offeror in providing the required services as outlined in RFP Section 3, Scope of Work. The description shall include an outline of the overall management concepts employed by the Offeror and a project management plan, including project control mechanisms and overall timelines. Project deadlines considered contract deliverables must be recognized in the Work Plan.

Letters of intended commitment to work on the project, including letters from any proposed subcontractor(s), shall be included in this section.

The Offeror shall provide an Organizational Chart outlining personnel and their related duties. The Offeror shall include job titles and the percentage of time each individual will spend on his/her assigned tasks. Offerors using job titles other than those commonly used by industry standards must provide a crosswalk reference document.

The Offeror shall include information on past experience with similar projects and/or services. The Offeror shall describe how its organization can meet the requirements of this RFP and shall also include the following information:

- a. The number of years the Offeror has provided the similar services;
- b. The number of clients/customers and geographic locations that the Offeror currently serves;
- c. The names and titles of headquarters or regional management personnel who may be involved with supervising the services to be performed under this Contract;

- b. A brief description of the services/goods provided;
- c. The dollar value of the contract;

- e. The State employee contact person (name, title, telephone number, and, if possible, e-mail address); and
- f. Whether the contract was terminated before the end of the term specified in the original contract, including whether any available renewal option was not exercised.

Information obtained regarding the Offeror's level of performance on State contracts will be used by the Procurement Officer to determine the responsibility of the Offeror and considered as part of the experience and past performance evaluation criteria of the RFP.

4.4.2.10 **Subcontractors (Submit under TAB I)**

The Offeror shall provide a complete list of all subcontractors that will work on the Contract if the Offeror receives an award, including those utilized in meeting the MBE and/or VSBE subcontracting goal, if applicable. THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

SECTION 5 – EVALUATION COMMITTEE, EVALUATION CRITERIA, AND SELECTION PROCEDURE

5.1 Evaluation Committee

Evaluation of Proposals will be performed in accordance with COMAR 21.05.03 by a committee established for that purpose and based on the evaluation criteria set forth below. The Evaluation Committee will review Proposals, participate in Offeror oral presentations and discussions, and provide input to the Procurement Officer. The Department reserves the right to utilize the services of individuals outside of the established Evaluation Committee for advice and assistance, as deemed appropriate.

5.2 Technical Proposal Evaluation Criteria

The criteria to be used to evaluate each Technical Proposal are listed below in descending order of importance. Unless stated otherwise, any subcriteria within each criterion have equal weight.

5.2.1 Offeror’s Technical Response to RFP Requirements and Work Plan (See RFP § 4.4.2.6)

The State prefers an Offeror’s response to work requirements in the RFP that illustrates a comprehensive understanding of work requirements and mastery of the subject matter, including an explanation of how the work will be done. Proposals which include limited responses to work requirements such as “concur” or “will comply” will receive a lower ranking than those Proposals that demonstrate an understanding of the work requirements and include plans to meet or exceed them.

5.2.2 Experience and Qualifications of Proposed Staff (See RFP § 4.4.2.7)

5.2.3 Offeror Qualifications and Capabilities, including proposed Subcontractors (See RFP § 4.4.2.8 – 4.4.2.14)

5.3 Financial Proposal Evaluation Criteria

All Qualified Offerors (see Section 5.5.2.4) will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on the Total Proposal Price within the stated guidelines set forth in this RFP and as submitted on **Attachment F**, Financial Proposal Form.

5.4 Reciprocal Preference

Although Maryland law does not generally authorize procuring units to favor resident Offerors in awarding procurement contracts, many other states do grant their resident businesses preferences over Maryland contractors. Therefore, COMAR 21.05.01.04 permits procuring units to apply a reciprocal preference in favor of a Maryland resident business under the following conditions:

- The Maryland resident business is a responsible Offeror;
- The most advantageous offer is from a responsible Offeror whose principal office or principal operations through which it would provide the services required under this RFP is in another state;
- The other state gives a preference to its resident businesses through law, policy, or practice; and
- The Maryland resident preference does not conflict with a federal law or grant affecting the procurement Contract.

The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

5.5 Selection Procedures

5.5.1 General

The Contract will be awarded in accordance with the Competitive Sealed Proposals (CSP) method found at COMAR 21.05.03. The Competitive Sealed Proposals method allows for the conducting of discussions and the revision of Proposals during these discussions. Therefore, the State may conduct discussions with all Offerors that have submitted Proposals that are determined to be reasonably susceptible of being selected for contract award or potentially so. However, the State reserves the right to make an award without holding discussions.

In either case (i.e., with or without discussions), the State may determine an Offeror to be not responsible and/or an Offeror's Proposal to be not reasonably susceptible of being selected for award at any time after the initial closing date for receipt of Proposals and prior to Contract award. If the State finds an Offeror to be not responsible and/or an Offeror's Technical Proposal to be not reasonably susceptible of being selected for award, that Offeror's Financial Proposal will subsequently be returned if the Financial Proposal is unopened at the time of the determination.

5.5.2 Selection Process Sequence

5.5.2.1 Technical Proposals are evaluated for technical merit and ranked. During this review, oral presentations and discussions may be held. The purpose of such discussions will be to assure a full understanding of the State's requirements and the Offeror's ability to perform the services, as well as to facilitate arrival at a Contract that is most advantageous to the State. Offerors will be contacted by the State as soon as any discussions are scheduled.

5.5.2.2 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their Technical Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Offeror's Technical Proposal. Technical Proposals are given a final review and ranked.

5.5.2.3 The Financial Proposal of each Qualified Offeror (a responsible Offeror determined to have submitted an acceptable Proposal) will be evaluated and ranked separately from the Technical evaluation. After a review of the Financial Proposals of Qualified Offerors, the Evaluation Committee or Procurement Officer may again conduct discussions to further evaluate the Offeror's entire Proposal.

5.5.2.4 When in the best interest of the State, the Procurement Officer may permit Qualified Offerors to revise their initial Proposals and submit, in writing, Best and Final Offers (BAFOs). The State may make an award without issuing a request for a BAFO.

5.6 Documents Required upon Notice of Recommendation for Contract Award

Upon receipt of a Notification of Recommendation for Contract Award, the following documents shall be completed, signed if applicable with original signatures, and submitted by the recommended awardee within five (5) Business Days, unless noted otherwise. Submit three (3) copies of each of the following documents:

- a. Contract (**Attachment A**),
- b. Contract Affidavit (**Attachment C**),
- c. Non-Disclosure Agreement (**Attachment J**), if applicable; *see Section 1.37.

- 5.2 The Contractor agrees that at all times during the term of this Contract and thereafter, works created as a deliverable under this Contract, and services performed under this Contract shall be "works made for hire" as that term is interpreted under U.S. copyright law. To the extent that any products created as a deliverable under this Contract are not works made for hire for the State, the Contractor hereby relinquishes, transfers, and assigns to the State all of its rights, title, and interest (including all intellectual property rights) to all such products created under this Contract, and will cooperate reasonably with the State in effectuating and registering any necessary assignments.

- 7.2 The Contractor will defend or settle, at its own expense, any claim or suit against the State alleging that any such item furnished by the Contractor infringes any patent, trademark, service mark, copyright, or trade secret. If a third party claims that a product infringes that party's patent, trademark, service mark, trade secret, or copyright, the Contractor will defend the State against that claim at Contractor's expense and will pay all damages, costs, and attorneys' fees that a court finally awards, provided the State: (a) promptly notifies the Contractor in writing of the claim; and (b) allows Contractor to control and cooperates with Contractor in, the defense and any related settlement negotiations. - 10.2 This indemnification clause shall not be construed to mean that the Contractor shall indemnify the State against liability for any losses, damages, claims, suits, actions, liabilities, and/or expenses that are attributable to the sole negligence of the State or the State's employees.
- 10.3 The State of Maryland has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim, or action of any character is brought by any person not party to this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor's performance under this Contract.

The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays, interruptions, interferences, or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract.

In the event of any audit, the Contractor shall provide assistance to the State, without additional compensation, to identify, investigate, and reconcile any audit discrepancies and/or variances. This Section 24 shall survive expiration or termination of the Contract.

The State reserves the right, at its sole discretion and at any time, to perform an audit of the Contractor's and/or subcontractor's performance under this Contract. An audit is defined as a planned and documented independent activity performed by qualified personnel including but not limited to State and federal auditors, to determine by investigation, examination, or evaluation of objective evidence from data, statements, records, operations and performance practices (financial or otherwise) the Contractor's compliance with the Contract, including but not limited to adequacy and compliance with established procedures and internal controls over the Contract services being performed for the State.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/Proposal on this project, the Bidder/Offeror has considered all Proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners.

"Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal. As part of its Bid/Proposal, the Bidder/Offeror herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the Bidder/Offeror discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. - (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the Bid/Proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/Proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal.

B-2. CERTIFICATION REGARDING VETERAN-OWNED SMALL BUSINESS ENTERPRISES.

ATTACHMENT F – FINANCIAL PROPOSAL INSTRUCTIONS

In order to assist Offerors in the preparation of their Financial Proposal and to comply with the requirements of this solicitation, Financial Proposal Instructions and a Financial Proposal Form have been prepared. Offerors shall submit their Financial Proposal on the Financial Proposal Form in accordance with the instructions on the Financial Proposal Form and as specified herein. Do not alter the Financial Proposal Form or the Proposal may be determined to be not reasonably susceptible of being selected for award. The Financial Proposal Form is to be signed and dated, where requested, by an individual who is authorized to bind the Offeror to the prices entered on the Financial Proposal Form.

The Financial Proposal Form is used to calculate the Offeror's TOTAL PROPOSAL PRICE. Follow these instructions carefully when completing your Financial Proposal Form:

- A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., \$24.15. Make your decimal points clear and distinct.
- B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this RFP and may not be contingent on any other factor or condition in any manner.
- C) All calculations shall be rounded to the nearest cent, i.e., .344 shall be .34 and .345 shall be .35.
- D) Any goods or services required through this RFP and proposed by the vendor at **No Cost to the State** must be clearly entered in the Unit Price, if appropriate, and Extended Price with **\$0.00**.
- E) Every blank in every Financial Proposal Form shall be filled in. Any changes or corrections made to the Financial Proposal Form by the Offeror prior to submission shall be initialed and dated.
- F) Except as instructed on the Financial Proposal Form, nothing shall be entered on or attached to the Financial Proposal Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions may render the Proposal not reasonably susceptible of being selected for award.
- G) It is imperative that the prices included on the Financial Proposal Form have been entered correctly and calculated accurately by the Offeror and that the respective total prices agree with the entries on the Financial Proposal Form. Any incorrect entries or inaccurate calculations by the Offeror will be treated as provided in COMAR 21.05.03.03E and 21.05.02.12, and may cause the Proposal to be rejected.
- H) If option years are included, Offerors must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and will comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the RFP at the prices entered in the Financial Proposal Form.
- I) All Financial Proposal prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the RFP. The Financial Proposal price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.
- J) Unless indicated elsewhere in the RFP, sample amounts used for calculations on the Financial Proposal Form are typically estimates for evaluation purposes only. Unless stated otherwise in the RFP, the Department does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.
- K) Failure to adhere to any of these instructions may result in the Proposal being determined not reasonably susceptible of being selected for award.

ATTACHMENT J – NON-DISCLOSURE AGREEMENT

THIS NON-DISCLOSURE AGREEMENT (“Agreement”) is made by and between the State of Maryland (the “State”), acting by and through **Public Service Commission** (the “Department”), and _____ (the “Contractor”).

RECITALS

WHEREAS, the Contractor has been awarded a contract (the “Contract”) following the solicitation for Senate Bill 1131 of 2016 Energy-related study, Solicitation PSC #04.25.16; and

WHEREAS, in order for the Contractor to perform the work required under the Contract, it will be necessary for the State at times to provide the Contractor and the Contractor’s employees, agents, and subcontractors (collectively the “Contractor’s Personnel”) with access to certain information the State deems confidential information (the “Confidential Information”).

NOW, THEREFORE, in consideration of being given access to the Confidential Information in connection with the solicitation and the Contract, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties do hereby agree as follows:

1. Regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such, Confidential Information means (1) any and all information provided by or made available by the State to the Contractor in connection with the Contract and (2) any and all Personally Identifiable Information (PII) (including but not limited to personal information as defined in Md. Ann. Code, State Govt. §10-1301) and Protected Health Information (PHI) that is provided by a person or entity to the Contractor in connection with this Contract. Confidential Information includes, by way of example only, information that the Contractor views, takes notes from, copies (if the State agrees in writing to permit copying), possesses or is otherwise provided access to and use of by the State in relation to the Contract.
2. Contractor shall not, without the State’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information except for the sole and exclusive purpose of performing under the Contract. Contractor shall limit access to the Confidential Information to the Contractor’s Personnel who have a demonstrable need to know such Confidential Information in order to perform under the Contract and who have agreed in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information. The names of the Contractor’s Personnel are attached hereto and made a part hereof as ATTACHMENT J-1. Contractor shall update ATTACHMENT J-1 by adding additional names (whether Contractor’s personnel or a subcontractor’s personnel) as needed, from time to time.
3. If the Contractor intends to disseminate any portion of the Confidential Information to non-employee agents who are assisting in the Contractor’s performance of the Contract or who will otherwise have a role in performing any aspect of the Contract, the Contractor shall first obtain the written consent of the State to any such dissemination. The State may grant, deny, or condition any such consent, as it may deem appropriate in its sole and absolute subjective discretion.
4. Contractor hereby agrees to hold the Confidential Information in trust and in strictest confidence, to adopt or establish operating procedures and physical security measures, and to take all other measures necessary to protect the Confidential Information from inadvertent release or disclosure to unauthorized third parties and to

prevent all or any portion of the Confidential Information from falling into the public domain or into the possession of persons not bound to maintain the confidentiality of the Confidential Information.

5. Contractor shall promptly advise the State in writing if it learns of any unauthorized use, misappropriation, or disclosure of the Confidential Information by any of the Contractor's Personnel or the Contractor's former Personnel. Contractor shall, at its own expense, cooperate with the State in seeking injunctive or other equitable relief against any such person(s).
6. Contractor shall, at its own expense, return to the Department all copies of the Confidential Information in its care, custody, control or possession upon request of the Department or on termination of the Contract. Contractor shall complete and submit ATTACHMENT J-2 when returning the Confidential Information to the Department. At such time, Contractor shall also permanently delete any Confidential Information stored electronically by the Contractor.

8. Contractor acknowledges that any failure by the Contractor or the Contractor's Personnel to abide by the terms and conditions of use of the Confidential Information may cause irreparable harm to the State and that monetary damages may be inadequate to compensate the State for such breach. Accordingly, the Contractor agrees that the State may obtain an injunction to prevent the disclosure, copying or improper use of the Confidential Information. The Contractor consents to personal jurisdiction in the Maryland State Courts. The State's rights and remedies hereunder are cumulative and the State expressly reserves any and all rights, remedies, claims and actions that it may have now or in the future to protect the Confidential Information and to seek damages from the Contractor and the Contractor's Personnel for a failure to comply with the requirements of this Agreement. In the event the State suffers any losses, damages, liabilities, expenses, or costs (including, by way of example only, attorneys' fees and disbursements) that are attributable, in whole or in part to any failure by the Contractor or any of the Contractor's Personnel to comply with the requirements of this Agreement, the Contractor shall hold harmless and indemnify the State from and against any such losses, damages, liabilities, expenses, and costs.
9. Contractor and each of the Contractor's Personnel who receive or have access to any Confidential Information shall execute a copy of an agreement substantially similar to this Agreement, in no event less restrictive than as set forth in this Agreement, and the Contractor shall provide originals of such executed Agreements to the State.
10. The parties further agree that:
 - a. This Agreement shall be governed by the laws of the State of Maryland;
 - b. The rights and obligations of the Contractor under this Agreement may not be assigned or delegated, by operation of law or otherwise, without the prior written consent of the State;
 - c. The State makes no representations or warranties as to the accuracy or completeness of any Confidential Information;
