Re: PSC #02-19-14 Offshore Wind Analyses and Application Review
Amendment No. 4
Updated Financial Form for Section 3.2.2

To Whom It May Concern:

The Commission has received multiple questions pertaining to Section 3.2.2 - Evaluation of Applications to the Commission for the Approval of a Proposed Offshore Wind Project and how to price this section.

Attached is an update financial form for this section. The Commission will be using five (5) applications as the base number for budgetary purposes. The price per application review is a fixed price per application; it is an all-inclusive rate.

If you have questions concerning this amendment please follow the instructions for questions contained in the RFP Section 1.9.

Sincerely,

Dolline Mooney Serra
