Baltimore Gas and Electric Company's *
Application for an Electric School Bus Pilot * Case No. 9696
Program *

* * * * *

Notice of Application Deadline

On March 3, 2023, Baltimore Gas and Electric Company (“BGE”) filed a proposal for an Electric School Bus Pilot Program (“Application”) to provide electric school bus rebates and related rebates in support of the Climate Solutions Now Act of 2022 (“Act”).¹ The Commission held an evidentiary hearing on October 2, 2023. Briefs were filed on November 2, 2023.² After reviewing the testimony and briefs in this case, the Commission has decided to defer its decision on BGE’s Application until the other investor-owned utilities have filed their proposals and the current legislative session is concluded. Accordingly, the Commission directs any remaining investor-owned utilities interested in submitting an electric school bus pilot proposal to file by May 1, 2024.

By Direction of the Commission,

/s/ Andrew S. Johnston

Andrew S. Johnston
Executive Secretary
