To achieve these results the sourcing team worked hand in hand with local organizations to leverage their resources and ensure local diverse contractors were positioned for success in upcoming bid opportunities. The local organizations that we worked with included the Maryland/Washington Minority Contractors Association and the Maryland Elite Service Disabled Veteran Owned Business Network.

Following is a sample of some of BGE's 2010 successes in traditionally underserved categories (Tier 1):

No complaints in 2010

7.2 Review Process for Addressing Complaints

Although we strive for zero complaints, BGE has a process in place in the event a complaint is filed. All complaints are received by the Director Supplier Diversity and immediately elevated to senior leadership. The facts of the complaint are investigated by the Supplier Diversity Office leveraging Supply Chain personnel and all other key stakeholders.
