NOTICE OF GRANT OF PETITIONS TO INTERVENE

On December 12, 2016 and December 13, 2016, respectively, Atlantic Grid Development, LLC (“Atlantic Grid”) and the Ironworkers Local Union #16 of the International Association of Bridge, Structural, & Ornamental Ironworkers, Reinforcing Rodman, Riggers, Machinery Movers & Glaziers (“LU 16”) filed Petitions to Intervene in this proceeding.¹ At the Maryland Public Service Commission’s (“Commission”) December 14, 2016 pre-hearing conference, the Commission held the petitions to intervene filed by Atlantic Grid and LU 16 in abeyance pending notification to the Commission that counsel has been retained. Furthermore, no party expressed an objection to the petitions to intervene filed by Atlantic Grid and LU 16, pending retention of counsel.

On December 16, 2016, both Atlantic Grid and LU 16 filed Notices of Appearance of Counsel and requests to grant their respective petitions to intervene in this proceeding.² Therefore, after considering these requests and the fact that no objection to intervention for either party was noted at the Commission’s December 14, 2016 pre-hearing conference, the Commission grants the Petitions to Intervene for Atlantic Grid and LU 16.

By Direction of the Commission,

/s/ David J. Collins
