Dear Mr. Beugelmans:

The Maryland Public Service Commission ("Commission") has reviewed the Application for a Certificate of Public Convenience and Necessity to Construct a 2.425 MW Solar Photovoltaic Generating Facility in Prince George's County, Maryland filed on November 9, 2017 by TPE Maryland Solar Land Holdings, LLC ("Applicant"). The Applicant is proposing to construct a 2.425 MW solar generating facility on a 27-acre portion of a land parcel located along Croom Road in Prince George's County, Maryland. The Application indicates that this project will have significant economic and environmental benefits and little negative impacts.

After review of the Application, the Commission hereby docket the matter as Case No. 9465, sets the matter for hearing, and delegates the matter to the Public Utility Law Judge Division to conduct the proceedings.

By Direction of the Commission,

/s/ David J. Collins

David J. Collins
Executive Secretary
