HEARING AGENDA
SEPTEMBER 6 & 7, 2018

The purpose of this legislative-style hearing is to gather more information on the various Electric Vehicle (“EV”) proposals to help determine what action to take on the Public Conference (“PC44”) Electric Vehicle Work Group Leader’s Petition for Implementation of a Statewide Electric Vehicle Portfolio (“Portfolio”).¹ The first day will focus on the utility proposals and related issues. The second day will be an opportunity for other parties to make brief supplemental comments to those that were filed in accordance with the Notice of Further Procedural Schedule issued on July 2, 2018. Other parties have been grouped into panels. Parties that filed comments are not required to speak at the hearings. The times outlined in the agenda are the allotted opportunities for other parties to make comments if desired.
