**NOTICE OF OPPORTUNITY TO FILE FINAL COMMENTS**

On September 6 and 7, 2018, the Maryland Public Service Commission (“Commission”) held a legislative-style hearing to gather additional information to help the Commission determine what action to take on the Public Conference 44 (“PC44”) Electric Vehicle (“EV”) Work Group Leader’s Petition for Implementation of a Statewide Electric Vehicle Portfolio. The Commission heard from many participants in the PC44 EV Work Group during the two-day hearing. The Commission determined to hold the record in the matter open for an additional three weeks, or September 28, 2018, to receive the final comments that any participant or interested person would like to file on the issues addressed at the hearing. The final comments may include, but are not limited to, any proposed conditions to which approval of the Portfolio may be subject, any responses to arguments made during the hearing, or any recommendations on how to implement the Portfolio.

An original and 17 hard copies, and an electronic copy, of the final comments shall be addressed to Terry J. Romine, Executive Secretary, Public Service Commission, William Donald Schaefer Building, 6 St. Paul Street, 16<sup>th</sup> Floor, Baltimore, Maryland 21202. Five of the hard copies shall be three-hole punched. The Commission encourages the use of the Commission’s e-File system for submission of the public version of the electronic copy of the filing. Details of the e-File system are on the Commission’s web page, [www.psc.state.md.us](http://www.psc.state.md.us) (Online Services).

By Direction of the Commission,

*/s/ Terry J. Romine*

Terry J. Romine  
Executive Secretary
