## PUBLIC SERVICE COMMISSION

July 1, 2022

### Notice of FY 2023 For-Hire Vehicle Assessment

**To: All Taxicab and For-Hire Carriers Regulated by the Public Service Commission**

Section 10-112(d)(2) of the Public Utilities Article, Annotated Code of Maryland, authorizes the Public Service Commission of Maryland ("Commission") to establish and assess an annual fee, not exceeding \$40 to be paid annually, for each permit issued to a taxicab and each motor vehicle for-hire with a passenger capacity less than 16. Pursuant to this law, for Fiscal Year 2023, the Commission has established a **\$0.00** assessment per permit and motor vehicle.

Accordingly, the Commission will not be issuing a For-Hire Assessment Invoice to all taxicabs and for-hire carriers regulated by the Maryland Commission for Fiscal Year 2023 (begins July 1, 2022).

This fiscal year 2023 Assessment of \$0.00 should not be construed as a indicator of future fiscal year for-hire assessments to be issued by the Commission. If you have any questions, you may contact Elizabeth Olson of the Fiscal Division by e-mail at [inquiries.fiscal@maryland.gov](mailto:inquiries.fiscal@maryland.gov) or by phone at 410-767-8066.
