PC 56

NOTICE OF SECOND EDUCATIONAL SESSION

Pursuant to Commission Order No. 90336 and in further support of Public Conference 56, the Commission’s Advisory Staff, together with the Maryland Energy Administration, invite stakeholders to attend and participate in a second virtual educational session on the Infrastructure Investment and Jobs Act/Bipartisan Infrastructure Law (“BIL”) and the Inflation Reduction Act (“IRA”). This second educational session aims to provide a landscape synopsis of the various funding opportunities available to the State of Maryland under the BIL and IRA. The session will be held virtually on Tuesday, May 23, 2023, beginning at 1:00 P.M. ET. Representatives from the U.S. Department of Energy’s Office of Policy, Office of State and Community Energy Programs, and Loan Programs Office will provide presentations and share additional insight. Following the presentations, the session will allow any Commissioners in attendance to ask questions, followed by an opportunity for individual stakeholders and interested persons to engage in discussion without the Commissioners present.

If you would like to actively participate in the educational session, please contact Loretta Scofield at loretta.scofield@maryland.gov by 12:00 noon on Friday, May 19, 2023. Anyone may watch the live stream of the session on the Commission’s YouTube channel. Please direct any questions about the educational session to Joey Chen at: joey.chen@maryland.gov.

By Direction of the Commission,

/s/ Amanda Best
