Maryland PSC Seeks Public Input on Columbia Gas Rate Increase Request

(BALTIMORE, MD-August 21, 2019) – The Maryland Public Service Commission will hold two public comment hearings on the request by Columbia Gas of Maryland, Inc. to increase its gas service rates by \$3.89 million. Columbia Gas, a subsidiary of NiSource, Inc., serves 33,000 Maryland customers in Allegany, Garrett and Washington counties.

According to the application, as supplemented July 30, 2019, the total monthly bill for a typical residential customer (using seven dekatherms of gas per month) would increase by \$7.18 (or 8.46 percent). In its application, Columbia Gas states that it requested the rate increase to recover costs associated with replacement of aging pipeline infrastructure and increased operation and maintenance expenses.

Members of the public who wish to comment on the matter are welcome to attend one or both of the hearings before Public Utility Law Judge Kristin Case Lawrence. The hearings are scheduled as follows:

Wednesday, September 4, 2019 at 7:00 p.m.

Ramada by Wyndham Cumberland Downtown
Crown South Boardroom
100 South George Street in Cumberland (Allegany County)

Thursday, September 5, 2019 at 7:00 p.m.

Career Programs Building, Room 131
