OF MARYLAND

CASE NO. 9271

Issue Date: January 30, 2017

The Public Service Commission of Maryland (“Commission”) issued Order No. 87991 on January 20, 2017 in the above-captioned proceeding for the purpose of, among other things, establishing the disbursement schedule of monies from the customer investment fund (“CIF”) for the second half of fiscal year (“FY”) 2017 and for FY 2018. Due to the limited funding available for disbursements during the remainder of FY 2017, however, it is necessary to shift certain scheduled disbursements into FY 2018; although, the total amount of authorized funding for each CIF Recipient and CIF Program remains unaltered from Order No. 87991. Therefore, the disbursement schedules for FY 2017 and FY 2018 are modified accordingly, as appended to this Order.¹

IT IS, THEREFORE, this 30th day of January in the year Two Thousand

¹ The revised disbursement schedules for FY 2017 and FY 2018 affect the timing of the distribution of funds to certain Baltimore City CIF programs only. The revised disbursement schedules do not affect the aggregated total of authorized funds for the Baltimore City CIF programs, nor is the disbursement schedule for any other CIF Recipient affected by today’s Order.

Seventeen, by the Public Service Commission of Maryland,

ORDERED: (1) That the schedule for the second semi-annual disbursement of funds for fiscal year 2017 set forth in Order No. 87991 is hereby modified and shall be distributed during the third quarter of fiscal year 2017 in the amounts specified in Appendix Table A of this Order;

(2) That the disbursement of funds for fiscal year 2018 shall be distributed during the first quarter of fiscal year 2018 in the amounts specified in Appendix Table B of this Order; and

(3) That all other findings and directives outlined in Order No. 87991 are otherwise unchanged by this Order.
