CASE NO. 9646

Issue Date: January 20, 2021

REVISED PROCEDURAL SCHEDULE

On January 19, 2021, Baltimore Gas and Electric Company ("BGE") submitted a request that the procedural schedule established in Order No. 89572, issued on June 30, 2020, be delayed ("Request"),¹ to allow the Company to more fully respond in its direct testimony to the topics set forth in Order No. 89562 docketing this proceeding. BGE states that the parties to the proceeding have indicated that they do not oppose the changes to the schedule, and that, at the request of Staff, a date has been added for surrebuttal testimony to be filed.

The Commission hereby approves the Request.

Accordingly, the revised discovery procedure is as follows:

- Responses to discovery requests served through May 27, 2021, are due within ten (10) business days of service, and any objections made within three (3) business days.

¹ Maillog No. 233362.

- After May 27, 2021 and through June 17, 2021, responses to discovery requests are due within seven (7) business days of service, and any objections made within two (2) business days.
- After June 17, 2021 and through June 29, 2021, responses to discovery requests are due within five (5) business days of service, and any objections made within two (2) business days.
- After June 29, 2021, responses to discovery requests are due within three (3) business days of service, and any objections made within one (1) business day.
- The Parties should consult with each other and attempt in good faith to resolve all disputes prior to making an objection and again prior to filing a motion seeking relief from the Commission. In the event Parties are unable to resolve a dispute, the aggrieved party may file a motion for relief within three (3) business days from service of the written objection. The opponent shall respond to the motion within two (2) business days of service of the motion. The motion and response shall be in letter format, and shall each be limited in length to three single-spaced pages with a 12-point or greater font. The motion must specify the dates and times of all consultations for the purpose of resolving the dispute. The Parties shall contact the Executive Secretary via phone or email to schedule a hearing, if necessary, and shall provide the Executive Secretary an electronic copy of the motion and response.

All testimony and discovery shall be served electronically on each of the Parties to avoid delay in receipt. Parties shall ensure that the correct email of the person(s) to whom the testimony and discovery should be sent are updated and current on the service list for this matter.
