In support of the workgroup efforts outlined in Order No. 89865, the Commission invites stakeholders to provide and participate in a series of Educational Sessions to build a knowledge base related to distribution system planning. The first of these Sessions will be held on September 2, 2021, beginning at 10:00 a.m., and Baltimore Gas and Electric Company, the Potomac Electric Power Company and Delmarva Power and Light Company (the Exelon Utilities) will provide a presentation covering the Basics of the Distribution System.

The session will include a presentation by the Exelon Utilities, an opportunity for Commissioners to ask questions, and an opportunity for stakeholders and interested persons to ask questions without the Commissioners present.
