**Annual Plan for Calendar Year 2011
Minority, Women and Service-Disabled Veteran-Owned
Business Enterprises
January 1, 2011 – December 31, 2011**

The following is hereby submitted as an "Annual Plan" pursuant to the State of Maryland Public Service Commission Memorandum of Understanding, (MOU) signed on February 6, 2009. This Plan is submitted for the consideration of the Maryland Public Service Commission by Potomac Electric Power Company, (Pepco or Company) a Pepco Holdings, Inc. company.

This plan will be in effect for the period of January 1, 2011 through December 31, 2011 and covers the Pepco region.

1. Pepco will continue efforts to increase the total percent spend with minority, women and service disabled veterans on both first and second-tier procurement to ultimately accomplish the 25% goal. The mid term and long term goals as summarized below reflect increases over the next five year period with the initial long term goal meeting the minimum percentages defined in section 5.1.2 of the MOU. See attachment for E-2 and E-3, Mid and Long Term goals. Long term contracts have not been excluded and are therefore included in the total anticipated spend (MOU § 7.1.1).

2011 - Pepco		
Diverse Suppliers	Mid-Term (3yr)	Long-Term (5yr)
Minority	7.000%	8.000%
Women	3.000%	4.000%
Service-disabled veteran	0.002%	2.000%
Handicapped workshops	<u>0.001%</u>	<u>0.200%</u>
Total	10.003%	14.200%

2. Pepco will continue aggressive internal and external outreach efforts to identify diverse suppliers for participation in the Company's competitive procurement programs with a special emphasis on promoting contracting opportunities with local diverse suppliers in the Company's green initiatives, investment and financial services opportunities for diverse businesses. Planned external activities for calendar year 2011 include (MOU §7.1.2):

- a. Attend monthly/bi-monthly Maryland Utility Forum meetings and actively participate in achieving the following 2011 Maryland Utility Forum goals.

Continue to enhance the Maryland Utility Forum Website relocating the website from Google to a shared platform.

Establish formal Maryland Utility Forum group finalizing the rules, roles and operating procedures.

Review assessment results of MOU Schedule 2 Third Party Certifying Agencies prepared by the consultant retained by PHI and make any necessary recommendations.

Establish common methodology to assess accuracy of Tier 2 spend.

Continue to provide updated information to the Forum's master list of third party certified companies.

Develop plan to assess opportunities for Diverse Supplier investment firms. Leverage utility experience to determine best practices, common goals, and supplier outreach opportunities.

- b. Supplier Diversity will work with Strategic Sourcing and individual operating areas to propose goals, monitor progress, highlight success, communicate areas of opportunity and meet with suppliers and internal customers to explore areas of opportunity.
- c. Supplier Diversity has an internet based system to collect profile data from diverse suppliers which serves as an on-line internal directory of diverse suppliers accessible by all employees. During 2010, we notified the suppliers that their ownership must be certified or we would be forced to take them out of the diverse supplier database. In 2011, we will not add suppliers as diverse suppliers until we have certification.
- d. Supply Diversity will continue to identify and provide diverse suppliers for inclusion in the candidate bidder pool for procurements exceeding \$100,000. All requisitions require inclusion of diverse bidders or a detailed explanation why none are available.
- e. Supplier Diversity encourages participation of buyers and operating group personnel in business and advocacy group training such as the National Minority Supplier Development Council Conference, the MD/DC Minority Supplier Development Council events, other regional Council events, Edison Electric Institute (EEI) Supplier Diversity events, Women's Business Enterprise National Council opportunity fairs, seminars and conferences. Ongoing program orientation and review sessions will be held to ensure:
 - Maximize level of opportunities for diverse suppliers
 - Expanded contracting opportunities
 - Focused discussions on the use of local diverse suppliers to meet the Company's operating requirements
 - Understanding of the business case for supplier diversity
- f. Ongoing meetings and discussions will be held with Company employees to:
 - Discuss the business case for diverse supplier inclusion and expansion
 - Offer Supplier Diversity resources in identifying and qualifying diverse suppliers for contracting opportunities
 - Address specific material group code goal attainment and non-opportunity areas requiring additional development and sourcing requirements

- Continue use of material group code reports to target areas requiring increased internal and/or external development
 - Discuss Supplier Diversity program enhancements and changes in policies and procedures
 - Provide referrals to operating areas
 - Provide monthly progress toward target and corporate goals to each line of business
 - Solicit input on how to further improve or enhance the program
 - Implement changes to enhance the program
- g. Supplier Diversity continues to support a wide range of outreach efforts. These activities are designed to identify and maximize contracting opportunities as well as to provide education about the utility industry, procurement practices, areas of opportunity and those areas which are saturated in the marketplace and offer limited opportunity.
- h. Supplier Diversity participates as a member of the board of directors in various business advocacy organizations and advisory councils and participates in conferences, trade shows, workshops and panel discussions. Supplier Diversity provides financial, technical and in-kind services to public and private sector organizations promoting the advancement of diverse businesses.
- i. Supplier Diversity invites and encourages participation in the outreach initiatives and actively promotes the use of diverse suppliers. Supplier Diversity will participate, support and sponsor events during 2011 to ensure the maximum level of promotion of opportunities for diverse Suppliers. Specific activities are listed in Appendix A. A sample of organizations supported By Pepco to promote contracting opportunities with diverse suppliers includes:
- MD/DC Minority Supplier Development Council
 - Montgomery County, Maryland Economic Development
 - The Elite-Service-Disabled Veteran Organization
 - Maryland Washington Minority Contractor's Association
 - Women's Business Enterprise National Council affiliates serving Maryland, DC, Delaware and New Jersey
 - PA/NJ/DE Minority Supplier Development Council
 - State of Maryland Office of Minority Affairs
 - Local and regional Chambers of Commerce
 - Greater Washington Board of Trade
 - Small Business Administration
- j. Supplier Diversity also participates in regional and national organizations advocating diverse supplier development and actively encourages participation by local businesses in these organizations' activities to expand their business opportunities. A sample of these organizations which Supplier Diversity members have leadership roles are listed below. Specific activities are attached in Appendix A.

- National Minority Supplier Development Council
 - MD/DC MSDC and PA/NJ/DE MSDC
 - EEI (Edison Electric Institute) Supplier Diversity Committee
 - National Association of Minority Contractors
 - U.S. Small Business Administration (SBA)
 - Maryland Washington Minority Contractors Association
 - Women President's Education Organization (WPEO)
 - The Elite Service-Disabled Veteran-Owned Business Network
3. Plans for recruiting Diverse Suppliers of products and services where utilization has been low, underutilized or currently unavailable (MOU §7.1.3, 7.1.4):
- a. The Company will continue to use the material group code method to maximize use of diverse suppliers in all Company operations. Supplier Diversity will continue efforts to identify and pre-qualify diverse suppliers seeking business opportunities with Pepco.
 - b. Continued sessions with major operating areas to ensure understanding of the goals and departmental responsibilities and to identify and expand areas of opportunity for diverse suppliers.
 - c. Supplier Diversity, Strategic Sourcing and major operating departments will continue to analyze the material group codes identified as having no opportunity. Each non-opportunity code will be reviewed and an action plan developed for diverse suppliers. We will continue work on the development of creative and innovative ways to decrease the number of non-opportunity categories.
 - d. Supplier Diversity and Strategic Sourcing will cooperate in identifying diverse suppliers to support the Company's operations. Meetings will be held with operating groups to identify new contracting opportunities. Supplier Diversity will participate on cross-functional teams in the development of major projects to insure diverse inclusion.
 - e. Construction projects will continue to encourage the use of diverse suppliers as prime contractors and to encourage majority contractors/suppliers to develop and use diverse suppliers.
 - f. Pepco will continue its efforts to maximize contract opportunities for diverse suppliers in professional services.
 - g. Supplier Diversity will continue to work with operating areas and conduct Supplier Diversity business briefings/forums during 2011 to communicate specific business needs, operational requirements and upcoming opportunities to increase the number of procurement opportunities for diverse suppliers and to improve goal performance.
 - h. Supplier Diversity will continue advertising in local, regional and national publications on a limited basis during 2011 due to budgetary constraints. A copy of the ad to be used in 2011 is attached. (Appendix C). The corporate web site www.pepco.com has a

segment on Supplier Diversity. An intranet site is also maintained and continuously enhanced.

- i. The 2011 Supplier Diversity outreach efforts will continue to focus on locating diverse suppliers in the non-opportunity areas. A listing of the planned 2011 tradeshow and seminars and networking opportunities are attached (Appendix A).
4. Plans for encouraging Prime Contractors to engage Diverse Suppliers in subcontracts that include subcontracting opportunities (MOU §7.1.5):
 - a. The Company will continue to develop strategies to use diverse suppliers in all aspects of Pepco's operations. Specific action includes:
 - b. Contract evaluation processes that give weight to those bidders who agree to provide training and development to diverse suppliers in non-opportunity areas.
 - c. Support alliances with diverse suppliers that provide value-added services to Pepco.
 - d. Pepco assures that the clause entitled "Utilization of Small Business Concerns" is included in all contracts that offer further subcontracting opportunities, and all subcontractors (except small business concerns) who receive contracts in excess of \$550,000 (\$1,000,000 for construction) will be required to adopt a subcontracting plan.
 5. Plans for complying with the established Diverse Supplier program guidelines (MOU §7.1.6):
 - a. Pepco has a second tier reporting and tracking system that provides second-tier dollars from Pepco's prime contractors to diverse suppliers.
 - b. Pepco will have the entire supplier database reviewed by AECSofUSA, a third party verifier, to assure compliance with certification requirements.
 - c. A consultant will be hired during 2011 to assess the criteria used by the various certifying agencies and the availability of details on ownership status which will be made available to the Maryland Utility Forum and Maryland Public Service Commission staff.
 - d. Pepco will meet with other Maryland utilities and industry contacts in an effort to increase supplier diversity awareness and further enhance the Supplier Diversity initiative.
 - e. Submit the Annual Reports as outlined in Section 6 of the MOU.

"We Understand the Power of Diversity."

It takes commitment to keep the power flowing safely to our customers every day. This commitment involves working at the community level, partnering with emergency services, and keeping an eye on environmental stewardship.

The utilities of Pepco Holdings, Inc. (PHI) achieve these goals through another commitment. Our pledge to Supplier Diversity and building relationships with the certified diverse businesses that help us run.

For more information, call 1.800.FOR.MBES or visit us online at www.pepcoholdings.com. At PHI, Supplier Diversity plugs us into the communities we serve.

Atlantic City Electric • Delmarva Power • Pepco
