## PUBLIC SERVICE COMMISSION

*Maillog 301167*

February 8, 2023

Karl Held  
Montgomery County CAP Coalition

*Re: Request for two-week extension to the February 16, 2023, comment deadline for Administrative Docket RM80 - Montgomery County Community Choice Aggregation (CCA) Pilot Program*

Dear Mr. Held:

In a Notice of Initiating a Rulemaking dated January 25, 2023, the Commission directed that comments on the Petition shall be e-filed by February 16, 2023. The Commission also gave notice that it would conduct a rulemaking session on February 23, 2023, and, if needed, February 24, 2023, beginning at 10:00 a.m. in the Frank O. Heintz Hearing Room, on the 16th Floor of the William Donald Schaefer Tower, 6 St. Paul Street, Baltimore, Maryland

On February 4, 2023, the Climate Action Plan (CAP) Coalition submitted a request for an extension of the February 16, 2023, deadline to file comments. The Coalition indicates in its filing that additional time was needed to review, analyze, and develop comments.

After considering this matter, the Commission denies Montgomery County CAP Coalition's request for an extension, which would require further delay of the hearing and the entire rulemaking process.

By Direction of the Commission,
