Re: Case No. 9449

Dear Mr. Dean:

On September 13, 2022, Technical Staff for the Commission filed comments¹ in the above-referenced matter that, among other things, proposed a 30-day extension in the Commission's consideration of Washington Gas Light Company's ("Washington Gas") request to resume normal customer care operations.² On September 14, 2022, Washington Gas submitted a filing stating its support for Staff's request, and that Washington Gas will continue to work with Staff and the Office of the People's Counsel to supply all information necessary.

In order to accommodate a more informed evaluation of the issues, the Commission hereby grants the proposed extension. Parties shall file any further comments regarding WGL's request by October 12, 2022.

By Direction of the Commission,

/s/ Andrew S. Johnston
